

WCWRA Privacy Policy

Wimbledon Common West Residents' Association (WCWRA) is committed to protecting the privacy of its members. Our privacy policy sets out how, when and why we use any information that you provide to us.

WCWRA only collects personal information where it is necessary for the purposes of registering membership and communicating with its members.

What we collect

We only collect information required for the purposes of registering your membership and for notifying you of WCWRA events such as the Annual General Meeting (AGM). We record and store information that you provide including:

- name, home address and email address
- membership status (active, payment method, etc)

How we use the information

- We maintain a membership list
- We may use the information to notify you of member events including the AGM
- We may contact you from time to time with local information that we think might be of interest
- We will not pass on your information to any third parties
- We will not share or publish any personal information without your explicit consent

Data Security

We are committed to keeping your information safe and secure. We have procedures and controls in place to keep your data secure once we receive it.

Data Retention

By providing information to us you consent to your details being retained and used according to the terms of this policy. We will not retain your data for longer than is necessary. If you wish to request details of information held about you or to make an amendment to your information (including removal) at any time you can do so by emailing us at clive@inlocum.co.uk

Data Registration

WCWRA is not required to register as a data controller with the Information Commissioner's Office as the personal information collected is solely for the use of establishing and maintaining membership and administering activities associated with membership.

GDPR

WCWRA's privacy policy is intended to be compliant with EU GDPR legislation. We rely on contract as a lawful basis of processing.

Our privacy policy may be updated from time to time. The current version was updated on 24 May 2018.
